

International Action Programme (IAP)

- The major action-oriented outcome of “renewables 2004”:
 - includes 197 commitments for developing RE
 - submitted by governments, IGOs, civil society, private sector
- Follow up carried out by REN21 Secretariat
 - 134 reports delivered (= almost 70% response rate)
 - 79% currently being implemented: 63% underway, 16% completed
- Voluntary commitments
 - “third diplomatic way” which IS possible AND effective
 - network constitution enables follow-up beyond diplomatic barriers that other stakeholders face
 - further commitments made at other events: WSSD, CSD
