

# Workshop on Development and Climate

December 7, 2003  
Hotel Accademia  
v.le Certosa, 68  
20155 Milano

ø

Organised by The Development and Climate project<sup>i</sup> group including centres of excellence in industrialised countries and developing countries

Sponsored by UNF

## ***Programme***

9.30-10.00	Coffee and registration	
<i>Welcome</i> 10.00-10.30	Opening and welcome by: UNEP UNF and eventually others org.	Saleemul Huq (IIED), UNEP, UNF
<i>Project Overview</i> 10.30-11.15	Introduction to the Development and Climate Project Overview of phase I results based on country studies (Bangladesh, Brazil, China, India, Senegal and South Africa)	Bert Metz (RIVM)  Kirsten Halsnæs (URC)
<i>Lessons Learned</i> 11.15-13.00	Presentations by invited development/climate government representatives on SD and Climate linkages Brazil, Bangladesh, China, India, Senegal, South Africa	
12.45-14.00	Lunch	
<i>Lessons Learned, continued</i> 14.00-16.00	Country study presentations organised around specific selected issues from the phase I reports:  Brazil: Accumulated emissions reduction achieved by ethanol and energy efficiency programme – future perspectives.  Bangladesh: Adaptation options  China: Clean coal and linkages to local air pollution control  India: South East Asian Energy Collaboration, SD indicators  Senegal: Energy and food access  South Africa: Energy-water Linkages	Country teams
16.00-16.30	Coffee	

*Future Activities and International Perspectives*  
16.30-18.30

Plenary discussion on future activities and linkages to FCCC negotiations introduced by presentations on:  
Future development and climate activities  
International dialogues  
Conclusions

P. Shukla (IIM)

Marcel Kok, (RIVM)  
John Christensen (URC)

## **The workshop will be followed by a reception**

---

<sup>i</sup> The Development and Climate project is an initiative of 12 institutes from developing and developed countries:

### **Co-ordinating institutes:**

UNEP Risoe Centre on Energy, Climate and Sustainable Development (URC), Denmark  
National Institute of Public Health and Environment (RIVM), the Netherlands  
International Institute for Environment and Development (IIED), United Kingdom

### **Partners from developing countries:**

Bangladesh Centre for Advanced Studies (BCAS), Bangladesh  
Centre for Integrated Studies on Climate Change and the Environment (Centro Clima), Brazil  
Energy Research Institute (ERI), China  
Indian Institute of Management (IIM), Ahmadabad, India  
Environnement et Developpement du Tiers Monde (ENDA), Senegal  
Energy & Development Research Centre (EDRC), University of Cape Town, South Africa

### **Partners from industrialised countries:**

Stanford University, USA  
International Institute for Sustainable Development (IISD), Canada  
Potsdam Institute for Climate Impact Research (PIK), Germany  
Centre International de la Recherche sur l'Environnement et la Developpement (CIRED), France  
Plant Research International, the Netherlands

Initial funding is from the United Nations Foundations (UNF), and the government of the Netherlands, Canada, France and Germany.
